FOUNDER'S MESSAGE

Late Sardar Jodh Singh,
Founder, JIS Group

I always experienced a yearning to acknowledge my responsibilities and reciprocate by contributing to the growth and development of our society. Years ago when I visited my son's school, I perceived that the best way to advance society is by fostering education and it was at that moment that the dream and vision of JIS Group Educational Initiatives was conceived.

"Vision looks inward and becomes duty. Vision looks outward and becomes aspiration. Vision looks upward and becomes faith."

Now, when this vision of duty, aspiration and faith has become a reality, it is a proud moment for me and my team to see thousands of students pursuing higher education in JIS Group of institutions and equipping themselves to become industry ready professionals for successful careers. In this process the Group intends to unite all dimensions of Education from School

Founder Chairman

Education to Post Graduate Programmes in Engineering and Technology, Computer Applications, Dental Science, Pharmacy, Hospitality, diverse streams of Management and so on under the same umbrella in order to comprehensively and collectively optimize the reach of Educational Initiatives in every strata and corner of society towards a better future. Our educational Initiatives believe that creating an academic foundation for social, cultural, scientific, economic and technological development in our Nation can mature into Global Interface by giving way to education exchange in the International territory as well. Therefore, our focus is to achieve unparalleled excellence that will bring development to our society and mankind by optimizing their potential, thereby establishing the observation of the renowned Journalist Sydney J. Harris on the role & purpose of education which is to "turn mirrors into windows.

MESSAGE FROM THE MANAGING DIRECTOR

Sardar Taranjit Singh,
Managing Director, JIS Group

It gives me immense pleasure to welcome you to Narula Public School, Mogra. We believe that imparting the best educational experience is only possible under the dual nurturing of competency and sense of responsibility within an environment, favourable for encouraging new ideas. Hence, we intend to build up our facilities in a manner which helps in continuing our momentum in varied fields of education for all-round development of students.

Our mission is to create generation-next of highly competent students with the right mix of positive attitude & values imbibed in them through creativity, innovation & rightful mentoring, so that they can be prepared to meet all the challenges of life. It is a universal truth that the design & implementation of Scholastic & Co- Scholastic Activities are the fundamental strengths of a school. Narula Public School welcomes all stakeholders to experience quality teaching & diverse opportunities of co-curricular activities, planned for the holistic development of our students.

The key challenge that lies before us is to strike a balance between pursuit of knowledge and character building through value based education, quite in consonance with what Swami Vivekananda had remarked, "We want that education by which character is formed, strength of mind is increased, the intellect is expanded & by which one can stand on one's own feet."

We hope that you will join hands with us in this mission!

FROM THE PRINCIPAL'S DESK

NARULA PUBLIC SCHOOL

Mrs. Kamalpreet Kaur
Principal, NPS, MOGRA

As we lay the foundation of new beginnings, with Narula Public School, Mogra, having opened doors to the children from Nursery to Grade VII on April 16, 2019, we welcome all the stakeholders to yet another educational initiative from the JIS Group.

Paying homage to the vision of our founding father, late Sardar Jodh Singh, who wanted to 'Enrich, Empower & Enlighten' our generation-next by integrating the best global pedagogical practices with classroom teaching-learning, we, at Narula Public School stand committed to that dream of our founding father! Through discovery, innovation, exposure & interaction we aim to bring about the holistic development of our students.

We believe that educating children does not mean teaching them facts alone, it also means teaching them how to think & learn on their own, thus becoming self-directed learners of the 21st Century. Providing sound mentoring to the students, both in the Scholastic & Co-Scholastic domain of activities, is of utmost importance in the School Curriculum.

Guru Nanak had felt in the fifteenth century -

"Vidya Vichaari Ta Parupkaari" (Sri Guru Granth Sahib, Pg 356)

which if translated connotes the aim of education--- preparing a social order of humans, who are selfless & sensitive to the need of others.

Thus, at Narula Public School, we aspire to integrate value-based teaching practices, inclusive learning environment & suitable technological resources to improve student learning outcomes, ensuring physical, emotional, social & intellectual well-being of the students.

We pray to the Almighty to bless us in
our endeavours!

The imposing infrastructure of Narula Public School, Mogra, a project of the JIS Group Educational Initiatives towards imparting value-based school education, comparable to the best international pedagogical standards, opened doors to the students in April, 2019 & since then is making remarkable contribution. Nestled in the lap of nature, miles away from the city din, amidst the lush green heartland of Hooghly district in West Bengal, Narula Public School, Mogra (co-educational & English medium) aspires to integrate scholastic & co-scholastic dimensions of pedagogy in accordance with NCERT outline, with an objective of providing joyful learning experiences to the students, thereby ensuring their holistic development. Technology driven teaching-learning methodology being followed here is directed to foster an environment of nurturing futuristic, insightful leaders.

V

ISION: To, “Enrich, Empower, Enlighten” our children through discovery, innovation, exposure & interaction for building effective human talents in context of national & global needs.

M

MISSION: Through the integration of differentiated instruction, quality teaching, collaboration, inclusive learning environment & suitable technological resources, Narula Public School endeavors to provide unmatched experiential education for improving learning outcomes, ensuring physical, emotional, social & intellectual well-being of the students.

The entrepreneurial zeal and vision of the founder & Chairman of JIS Group, late Sardar Jodh Singh resulted in the group consolidating considerable stake in dairy business, telecommunication, transportation, infrastructure, logistics, education & healthcare. His noble desire to serve the society through education led to the formation of the JIS Group Educational Initiatives, which presently is the largest education service provider in Eastern India, having under its aegis 30 Institutions of higher education, catering to nearly 37,000 students, enrolled in 140 diverse academic programmes! With the opening of a school, JIS Group has enabled Vertical integration of education from Nursery to PhD under one roof , which is a blessing for all the stakeholders & parents.

Mr. Taranjit Singh, the Managing Director of JIS Group Educational Initiatives relevantly observes, “The Group's Educational Initiatives are committed to creating an academic ground for social, cultural, scientific, economic and technological development nationally and globally and aspire for excellence that will bring the holistic development of our society and mankind.”

INFRASTRUCTURE OF NARULA PUBLIC SCHOOL

The well designed, need based, multi-level, colossal infrastructure of NARULA PUBLIC SCHOOL is reflective of the management's desire to provide state-of-the-art educational resources for all-round development of the students. All the classrooms, laboratories, library, activity rooms etc. are suitably equipped to deliver a fulfilling & unforgettable learning experience to the students, quite in sync with their futuristic aspirations. The ethos of inculcating, fostering and maintaining a high standard of morality & discipline among students in the school will be accorded prime importance. Guardians are requested to co-operate in this aspect with the school authorities and ensure regular attendance as well as punctuality of their wards. Any sort of misbehaviour, irregular attendance, insolence, habitual idleness, injuries to others etc will result in the suspension / dismissal of the concerned student from the school. The following features of the school building are noteworthy:

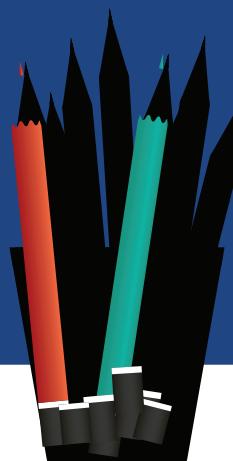

- **ICT INTEGRATED CLASSROOMS :** To enable technology aided teaching-learning to the 21st century students, classrooms at Narula Public School have been equipped with smart boards, extensive software & high speed, secure & filtered internet connectivity. Technology driven visual medium will promote the attention span of the students & simultaneously bring closer, within the click of mouse, available reference materials for all the subjects. Additionally, the computer laboratory hardware includes a wide range of systems and configurations from stand-alone work stations to network terminals.
- **VIBRANT KINDERGARTEN SEGMENT** with colourful & enticing classrooms to beckon toddlers & provide joyful learning experiences to the tiny tots.
- **SPORTS & PHYSICAL ACTIVITIES:** Health & physical education activities are compulsory for all the students at Narula Public School. There are designated spaces in the school campus to integrate sports activities like Athletics, Gymnastics, Football, Carrom, Chess, Volleyball, Handball, Yoga, Swimming, Cricket, Roller Skating, Badminton, Table Tennis, Basketball & Martial Arts in the day-to-day instructional practices.
- **CO-CURRICULAR ACTIVITIES:** With an objective of holistic development of the personality of students, co-curricular activities have been integrated in the school curriculum. Trained & experienced teachers mentor the students in special activity rooms in the school campus for inculcating creative skills, ingenuity & competitive spirit among the students & nurturing their talents under the following heads:
 - i) Music Society (Vocal & instrumental - Synthesiser & Tabla)
 - ii) Histrionics Society (including Theatre & Elocution)
 - iii) Dance Society
 - iv) Quiz Club
 - v) Art & Craft Society

- **COMPOSITE SCIENCE LABORATORY:** The School has a well-equipped Composite Science Laboratory to facilitate 'learning by doing'. The students are guided by trained staff to perform experiments, measure data and analyze results so as to match their practical observations with theoretical knowledge.
- **MATHEMATICS LABORATORY:** In order to develop analytical and logical thinking among students, Narula Public School has a Mathematics Lab. It is well equipped and aims to foster love for Mathematics among students. Our experienced faculty uses the lab to impart a strong practical slant to various mathematical concepts, thus enriching the entire learning experience.
- **WELL STOCKED LIBRARY:** Library is the nerve center of any educational institution. In order to cater to the demands of curriculum and reading tastes of various age groups, Narula Public School has a well-stocked library with books from different genres, subscription tonewspapers in different languages and children'smagazines. The Librarian supervises Reading Club activities by motivating the students to read age appropriate fiction as well as non-fiction materials available in the school library.
- **POWER BACKUP AND SOLAR PANELS:** With an objective of providing respite to the students during the summer months in case of load shedding, there is an arrangement of power back - up. The management plans to install Solar Panels in the school campus, which is an affirmation of the school's commitment to resource management, conservation of energy & imbibing innovative practices.
- **CAMERAS AND FIRE FIGHTING SYSTEM:** Surveillance Cameras have been installed in every nook and corner of this multi-storeyed school. Even the fire fighting systems have been installed at appropriate places in the school building
- **TRANSPORT:** The school shall soon start providing transport facilities to the students coming from different parts of the city.
- **AIR CONDITIONED AUDITORIUM** with a seating capacity of 1000 heads has been planned in school campus to facilitate Students' presentation of Visual & Performing Arts
- **WATER COOLING SYSTEMS & PURIFIERS** have been installed on all the floors of the school building to provide safe drinking water to the students.
- **A WELL- EQUIPPED MEDICAL ROOM** to meet up with any medical requirement or emergency. A doctor (on call) & a trained nurse is available during the school hours

SAFETY CONCERNs - Narula Public School ensures compliance with Anti- Bullying Policy, Child Protection Policy (POCSO-2012) & Guidelines of 'safe school vahan scheme' issued by the Hon'ble Supreme Court of India in letter & spirit.

SCHOOL COUNSELLOR & SPECIAL EDUCATOR: A qualified Counsellor will be present in the school to counsel Pupils and guardians on Life Skills and behavioural issues. Also, an educator will be appointed to identify & mentor students with Special Needs (in accordance with guidelines on Inclusive Education).

ACADEMIC CURRICULUM:

The school follows NCERT curriculum outline for both Scholastic and Co-Scholastic areas. However, curriculum for the toddlers in the Playschool & Kindergarten is designed to develop the Cognitive, Linguistic & Numerical skills of the students besides targeting development of the Affective domain (social and inter personal relations) as well as Psychomotor Skills (including kinaesthetic skills, music and Computers).

Pupils are encouraged to interact with the teachers both inside and outside the classroom. To make this interaction easy and possible, teacher- pupil ratio is restricted to 1:20 at the Pre-Primary stage and 1:30 at the Primary & Upper-Primary stage.

English is the Medium of instruction at Narula Public School, Mogra& special impetus is given to polish the communication skills of the students in English. However, teaching –learning of Hindi & Bengali (soon French & Gurmukhi too) is being facilitated as second & third language according to the language policy of the Directorate of Education.

CLASS PG – II -

Each academic year is divided into two terms:
Term I : April to September
Term II : October to March
Each term will have Two Assessments. Performance of the students in assessments is indicated in grades.

Grade III – Grade VIII -

The academic performance of the students is assessed through planned formative / periodic tests and summative assessment (half-yearly & annual) in each term. Students are graded according to cumulative performance throughout the assessments, based on which they are promoted to the next class at the end of each academic year. Each academic year is divided into two terms:
Term I : April to September
Term II : October to March
